### Product Description

Sonic in a frenzy of speed! The Carrera GO!!! Challenge "Sonic" set catapults fans of the blue video game hedgehog into a new dimension of speed. With his super-fast "Speed Star" vehicle, the iconic Sonic, known as Super Sonic, shoots around the high-speed racetrack. The licensed car from SEGA resembles the original from Team Sonic Racing down to the smallest detail - a true Sonic toy that inspires enthusiasm. A track full of challenges for Super Sonic! The Carrera Challenge - Sonic Track offers everything Sonic needs to unleash his record-breaking speed. In addition to fast-paced high-speed sections, it includes challenging banked turns, an exciting fly-over and a stylish blue loop. The built-in lap counter with challenge mode timer function spurs on your challenger ambition on the Sonic Carrera track. Experience the unbridled speed and thrills of the Carrera GO!!! - Challenge Sonic set. Steer Sonic and his lightning-fast "Speed Star" vehicle around the high-speed track with exciting banked turns, fly-overs and a cool loop. Whether you're a Sonic fan, looking for an action-packed toy for young racers or simply on the hunt for unrivalled driving fun - this set offers entertainment and excitement for all ages. Experience fast-paced action together with Sonic on the race track! Experience pure racing action at home with the Carrera GO!!! - Challenge Sonic Set. The 6 metre long track features banked turns, a stylish blue loop and fly-overs that will put your racing skills to the test. With the innovative timer track and lap counter, you can take your racing experience to a whole new level. The Sonic decorative elements give your race the special charm of the Sonic the Hedgehog universe. Take a seat in your 1:43 scale Speed Star vehicle and embark on an exciting racing adventure! Experience the fascination of the legendary blue hedgehog at top speed! This detailed 1:43 scale slot car, licensed by SEGA, brings the unmistakable Sonic look from Team Sonic Racing straight to your home. Sonic is one step ahead when it comes to top speed and an unrivalled racing feeling. With his distinctive design, you can immerse yourself in the exciting world of Sonic the Hedgehog. Let Sonic's power and speed inspire you and start your racing adventure now! Experience the thrill of the Carrera Challenge sets with the brand new Challenge mode. Set the timer to 30, 45 or 60 seconds and try to complete as many laps as possible in this time. The timer track stops your car when the time is up, while the lap counter records each complete lap. Whether alone or taking turns with friends, this mode adds excitement and competition to your races. Become the master of time and challenge yourself as you keep improving your lap records. Experience a fascinating, brand new facet of slot car racing! The Carrera GO!!! Challenge "Sonic" track stretches over an impressive length of 6 metres and measures 2.03 m x 0.75 m. On this racetrack you can experience fast-paced action with a stylish blue loop, nerve-wracking fly-overs and challenging steep bends. The innovative timer track and precise lap counter keep track of your performance, while the Sonic decorative elements create an authentic atmosphere. Invite your friends, challenge them and enjoy exciting competitions on this unique race track!
