Product Description

Wait a minute, Doc... are you telling me you built a time machine... out of a DeLorean? The photo of the McFly family is slowly fading... the year is 1955 and you're caught up in a time paradox with Biff, Lorraine, George and Doc Brown! Work together to get the DeLorean ready to go in Hill Valley, avoid Biff and his gang, help George and Lorraine fall in love, and get the DeLorean up to 140 mph. Just in time before lightning strikes the town hall clock and sends you back to the future!

- Age: from 10 years- Number: for 2-4 players- Duration: approx. 50 minutes
