Product Description

In this fast-paced action game, up to 6 players compete against each other. The cards determine whether the cups are stacked or placed next to each other. In which order do the meerkats stand in a row? The first player to arrange the cups correctly hits the bell and receives the card. The player with the most cards wins the game. The special edition comes with 12 new action cards and can be used as an expansion with the basic game for up to 10 players. How to play Speed Cups 6. Each player receives a set of coloured cups. The task cards are shuffled and placed face down in the centre of the table as a draw pile. The bell is placed next to the pile of cards. One player turns over the top card of the draw pile and all players immediately try to match the illustrated arrangement of symbols and hit the bell. Note: Sometimes the stacking is horizontal and sometimes vertical! The first player to hit the bell and arrange all the cups correctly wins the card. The game ends when all 36 task cards have been played. The player with the most cards wins.
