Product Description

The cult game Wizard is now also available for younger fans - with enchanting graphics! Young players immerse themselves in the fabulous world of Wizard to develop their magical skills. They practise making their first predictions as magicians. Who will predict the correct number of tricks in the end and become the best student of magic at the Wizard Academy? Simple rules and a child-friendly design ensure a quick start to the game.

Details- Language: German- Recommended age: from 8 yearsContents- 40 cards- 40 round prediction chips- 8 square round tiles with the numbers 1 to 8- 1 set of instructions
