Product Description

Friesematenten Set 2 (Note: Only playable with Set 1) The new Set 2 of Friesematenten: A special kind of auction game! Corruption and sinister machinations have reached the world of Friesematenten - everyone wants to build the biggest empire. The "Shadowmen" bring 60 new cards into play, offering a variety of new actions. In competitive auctions, players try to win the best cards for their empire, buy new factories and acquire status symbols. The player with the most victory points at the end wins. The new set 2 completes the basic game. Contents: 60 playing cards 40 wooden markers 1 set of instructions
