### Product Description

Galileo Kids - Knowledge Quiz for Kids - EN

A quiz game with 780 questions and more than 3000 suggested answers for children aged 6 and up.

They try to answer the questions by selecting one of the suggested answers and check the correctness with the help of a simple self-correction system where each answer option is assigned a symbol and a colour.

Alone or with their friends, children can delve into numerous interesting topics from the fields of history, geography, biology, the animal world, technology, music, sport and general culture and put themselves to the test with captivating questions!

- Number of players: 2-4 players
- Age: from 6 years
