Product Description

Ahoy, Captain! Fly the pirate flag, hire a crew and fill your treasure chest with gold ... but don't blow up your ship! In the entertaining family game Captain Flip, it's your job as the captain of a pirate ship to hire a colourful crew and collect the most coins. To do this, you draw tiles with characters from the bag and cleverly place them on your adventure board. Not satisfied with smutjes, parrots, navigators, augurs or gunners? Then you can use the innovative flip mechanism to decide once to flip the tile over and get a different character. With exciting instant effects and synergies, you can get the best out of your crew - or blow up your ship. Whoever has the most treasure at the end wins!
