Product Description

A game with easy tasks and "friends" who make them harder. Best Enemies is an action-packed party game from the Exploding Kittens think tank. In a nutshell, you have to master child's play tasks. The catch, however, is that your greedy "friends" make them more difficult by bidding without really knowing the tasks. Whoever makes the highest bid becomes your buddy and wins or loses together with you, depending on whether you can master your absurd challenge or not. Funny materials such as a cup, ball and blindfold turn Best Enemies into a fun-filled chaos of high-five moments, (laughing) tears and total failures. You can handle it! Somehow...
