Product Description

Everything under control thanks to the Feldherr player dashboards. Keep your gaming table organised. The plastic dashboards simplify character management and provide a better overview on the gaming table. You have full control. You decide which cards you want to place on the dashboard. Each dashboard has 36 slots for horror cards, damage cards, spell cards, condition cards, cards for simple items and special items. The cards naturally also fit into the slots with protective sleeves. In addition, each dashboard has 2 large compartments for investigator cards and clue markers. "Ready to Use" - no assembly required. As with all 3D-printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. Colours may vary. All products are supplied unpainted.
