from **4,38 EUR**

Item no.: 374094
shipping weight: 0.10 kg
Manufacturer: Feldherr

Product Description

Have you lost some figure trays and now not all players can benefit from the practical Feldherr figure holders? Don't worry, because we've got you covered. If you need replacement figure holders because you've lost your previous figure holders or forgotten them on the train, then this set is ideal for filling any gaps. It allows players to organise all their wagons and station buildings and store them together. As with all 3D-printed models, minor imperfections may occur. The product images are only examples of what the finished product may look like. Colours may vary. All products are supplied unpainted.

Details- The figure holders are compatible with the wagons and station buildings of the "Ticket to Ride" basic game- Tested with "Ticket to Ride" basic game and "Ticket to Ride: Europe"- The three figure holders offer space for a total of 45 wagons including 3 station buildings- The set was designed for one player. This requires 45 wagons and 3 station buildings to play- "Ready to use" - no assembly required
Technical details- Thermoplastic- No assembly required - Ready to play- 3D printed in Germany
Technical data- Length: 10 cm- Width: 7 cm- Height: 1 cm
