Product Description

Hobbypack II - the new Feldherr backpack Feldherr RUCKSACK Tank + large models & 80 infantry figures is the perfect transport solution for large armies with tanks and some monsters, large figures or small tanks. With the second generation Feldherr Hobbypack we offer a lighter and ergonomically enhanced backpack. The padding and multi-part PVC reinforcements are integrated directly into the cover and sewn to prevent slipping. The zip opens the main compartment on three sides. This makes it easy to load even large items of equipment. Practical compartments on the inside and an additional compartment on the front offer plenty of space for accessories. The Hobbypack II is a versatile all-rounder for school, sport, work and leisure.

Information about the backpack- sporty cut and discreet design- made of extremely hard-wearing material- very comfortable, adjustable and padded shoulder straps- padded back with breathable mesh cover- plenty of extra compartments for accessories- large main compartment for miniatures- padded front compartment for large templates and rulebooks- extra protection thanks to padded PVC panels between the outer and inner fabric- plates between outer and inner fabric- can be combined with Feldherr Mini and Mini PLUS figure bags. Information on the foam inserts- 5 inserts 35 mm with 16 compartments each - compartment size 25 mm x 50 mm- 2 grid inserts 60 mm for large armour, monsters (self-adhesive with extra 10 mm base)- 1 extra large grid insert 100 mm for tanks, large monsters or extra large figures (self-adhesive with extra 10 mm base)- 1 foam lid- = space for up to 80 figures- PLUS space for tanks and some monsters, large figures or small tanks- Base area each: 172 mm x 275 mm x height of the mat- Made in Germany- High-quality, fine-pored foam- Standard 100 / Class I - Article for babies and toddlers- Chlorine-free and acid-free
