Product Description

The Škoda Octavia is a very popular compact passenger car that has been produced under the Czech Škoda brand since 1996. In 2020, the fourth-generation Škoda Octavia RS model made its debut and has been dynamically conquering the market ever since.

For the first time in the COBI range, we present a modern passenger car in large scale 1:12 in a collector's edition Executive Edition! The gigantic clamp building block model is 38.5 cm long and consists of 2,622 high-quality elements. The set includes a sturdy block stand on which the car looks even more magnificent! A special block with the Škoda logo and model name is integrated into the stand! This high-tech brake pad set is released under the original licence of the Škoda brand. The realistic model is characterised by the use of a large number of high-quality prints! We have completely dispensed with stickers. Especially for the needs of such large sets, new elements have been developed that offer additional functionalities. Movable steering wheel with which we can turn the wheels, hinges to open doors, body and trim elements. Under the tilting bonnet is a built in terminal block engine. Numerous details such as lights, clocks, wheels, logos, interior fittings form a coherent whole with the perfectly reproduced characteristic shape of this vehicle. The model is perfect for collectors and car lovers. Clear and intuitive instructions guiding through the next steps and blocks packed in numbered bags make the building process smooth and satisfying. Škoda Auto is a Czech manufacturer of passenger cars founded in 1895 in Mlada Boleslav. Škoda has been part of the Volkswagen AG Group since 1991 and its vehicles are sold worldwide.
