## Product Description

Clementoni Flummis, experimental kit, from 8 years (DE edition).

A fantastic set to make real bouncing balls that are brightly coloured and highly entertaining. The set includes spherical moulds and lots of sachets of coloured powder mixed with water to make truly "magical" balls. The process is simple and quick: just dip the mould in water and leave it for a few minutes.... and the experiment is done! Simple, fun and quickly ready to play with. Includes extensive illustrated instructions that explain the preparation process in a short and simple way.

Caution. Not suitable for children under 36 months! Use under adult supervision.

- Recommended age: from 8 years
- Number of players: from 1 player
