Product Description

Clementoni Squishy Soaps, experimental kit, from 8 years (DE edition).

With this new set for little cosmetics experts, soap making becomes a "clean" pleasure! The set contains all the ingredients and tools, such as spatulas, glitter powder and dyes, needed for the simple few steps of making soft soaps in any shape! Follow the instructions in the illustrated guide and make a variety of different soaps.... There are no limits to your imagination!

Caution. Not suitable for children under 36 months!

- Recommended age: from 8 years
- Number of players: from 1 player
