### Product Description

Clementoni sea-scented soaps, experimental kit, from 8 years (DE edition)

The scent of the sea is now in your hands with this fascinating scented soap making kit! The set contains everything necessary to make scented soaps with sea-inspired plaster elements inside. With the help of the manual, children will be guided step by step in experimenting to become familiar with the world of cosmetics in complete safety.

A fun game for making objects with a guaranteed impressive effect!

Caution! Not suitable for children under 36 months! Use under adult supervision for children aged 8 years and over.

- Recommended age: from 8 years
- Number of players: from 1 player
- Scope of delivery: soap base, dye, flower scent, sea animal shapes, small soap moulds, spatula, pipette, instructions
