Product Description

Clementoni Interactive Glow-in-the-Dark Globe - EN

- A brand new design for this beautiful interactive world map with optical pen. The transparent arc lights up when the globe is on!
- Children can discover the world and learn about continents, countries, capitals, surfaces, populations, currencies, languages, territories, altitudes, time differences and other interesting facts.
- With more than 500 questions in 3 different difficulty levels, you can test your acquired knowledge.
- Learning becomes simply fascinating thanks to the new design, excellent audio quality and more than 3 hours of informative audio content, interesting facts and music from around the world.
- Thanks to the new free app, children experience a heightened sense of reality.
- When viewing the world map through a tablet or smartphone, the child can see animals, monuments and different cultures.

Caution. Not suitable for children under 36 months.

- Number of players: 1 player
- Age: from 7 years
