from **7,89 EUR**

Item no.: 352320
shipping weight: 0.50 kg
Manufacturer: Clementoni

Product Description

An innovative set for experimenting with hydroponic techniques! With these special planters, children can grow plants without soil! The set also contains plant root material, seeds and powdered plant fertiliser. The comprehensively illustrated instructions contain all the information children need to discover this new way of growing plants! Note: The article complies with the applicable EU harmonisation legislation: Directive 2009/48/EC. For correct and safe use of the game, follow the instructions on the box and in the instructions. CAUTION. Not suitable for children under 36 months. Contains small parts that can be swallowed or inhaled. Choking hazard.
