59166 - Science at 0°, experiment kit, from 8 years (DE edition)

from **13,07 EUR**

Item no.: 352342
 shipping weight: 0.60 kg
 Manufacturer: Clementoni

Product Description

A new science set that will make you shiver while making slush ice, popsicles, sorbets and many other refreshing delicacies! The game contains the ingredients, moulds and all other necessary elements to carry out many experiments and understand the solidification process. The manual guides the child through the different experimentation phases and introduces the world of science in a fun and engaging way. Note: The article complies with the applicable EU harmonisation legislation: Directive 2009/48/EC. For the correct and safe use of the game, follow the instructions on the box and in the instructions. CAUTION. Not suitable for children under 36 months. Contains small parts that can be swallowed or inhaled. Choking hazard. Copyright © 2023 Seven.One Entertainment Group GmbH; Licence by: Seven.One Licensing, www.seven.one
