shipping weight: 1.00 kg
Manufacturer: Clementoni

Product Description

Clementoni Secret Messages, experimental kit, from 8 years (DE edition).

A set for young investigators who love secrets and coded messages! Everything you need to write secret messages with truly magical writing.

With the pen with invisible ink you can write the message in a notebook and only with the UV torch it is possible to read and decipher it. A game to train your mind and have fun with your friends by laying out clues and hidden messages that seem to be indecipherable.

- includes a pen with invisible ink
- includes a UV lamp to decode the secret messages
- different techniques to create the messages

Caution! Not suitable for children under 36 months!

- Recommended age: from 8 years
- Number of players: from 1 player
