Product Description

Clementoni My cosmetics lab, experimental kit, from 8 years (DE edition)

A real beauty lab for really great individual creations: Perfume, soaps, creams and flavoured bath salts. This science set contains essences and perfumed ingredients to stimulate children's creativity.

Many fun activities suggested in a comprehensive manual to help children discover the science of perfumes and cosmetics. The ingredients and substances included in the set have been tested and certified to ensure maximum safety during play.

- certified and tested ingredients
- suitable for children from 8 years
- learn the basics of scientific work in a playful way
- all experiments are explained in detail in the manual

Caution! Not suitable for children under 36 months! Use under adult supervision for children 8 years and older.

- Recommended age: from 8 years
- Number of players: from 1 player
