### Product Description

For safe and tidy storage of the game materials in the original game box. A strategy game is won through good organisation: With the Feldherr foam set for Rivet Wars: Eastern Front, your game materials are clearly organised and optimally protected from damage. Let the next game night begin! - The set fits perfectly into the original "Rivet Wars: Eastern Front" board game box. - Suitable for all miniatures, (sleeved) cards, dice, markers, flags and tokens. 7 additional compartments for more miniatures. - The lid of the board game box protrudes approx. 8 cm. The set contains: - 1 foam insert with 15 compartments for large miniatures, bunker and strategic objective tiles and (sleeved) cards (AGJF090BO)- 1 foam insert with 38 compartments for small miniatures, markers, dice, flags, minefield, barbed wire and armour barrier tokens (AGEP055BO)- 1 matching foam lid You can safely store large miniatures such as MT-1 Strauss and assault tanks in the insert with 15 compartments. The tray also offers space for medium-sized figures such as MG08 sledges and Hammer 65-pounders. There is a very large compartment in the centre of the tray for (sleeved) cards as well as bunker and strategic objective tiles. The small miniatures, such as riflemen and bazookas, can be neatly organised in the tray with its 38 compartments. There is also space here for other medium-sized miniatures such as dragoon unicycles. Finally, the tray has many small compartments which are used to neatly store small game accessories such as markers, flags and tokens. As soon as you have sorted everything, place the foam lid on the top tray - this way, nothing can fall out during transport. Place the larger game components - card tiles, faction boards, scoring board, rulebook - either under the set in the game box or on top of the set. Then close the lid and you're ready to go. The inlays have the following dimensions: - AGJF090BO: 295 mm x 295 mm x 90 mm total height (80 mm usable height + 10 mm foam base)- AGEP055BO: 295 mm x 295 mm x 90 mm total height (80 mm usable height + 10 mm foam base)- fine-pored foam - Made in Germany- chlorine-free and acid-free
