Product Description

Organise and protect your game assortment! The foam set for Mythic Battles Pantheon protects your figures! In addition to protection, the inlays offer you a practical arrangement of the figures and the game material. The set fits exactly into the original board game box of the Mythic Battles: Pantheon base game by Monolith Board Games LLC. Offers space for all miniatures and the complete game accessories. Compatible with Mythic Battles: Pantheon 1.5 when the cards are exchanged. The lid of the board game box protrudes approx. 1-2 cm. Each god, hero, monster and troop miniature has its own matching compartment in the inlay. The compartments are distributed to save space and designed to guarantee perfect protection for your figures. The details of the miniatures, such as spear or sword, were individually considered during the development of the inlay. Another foam inlay is used for game accessories. 16 compartments allow you to organise and save time when sorting in and out. All game materials in the basic box can be clearly organised and practically transported.
