Product Description

The most convenient way to transport your games and miniatures safely. This Feldherr RUCKSACK is supplied without contents. Lightweight but hard-wearing materials, breathable mesh padding and plenty of cleverly designed storage space make this rucksack the ideal companion for more than just travelling to the gaming club or the next tournament. Whether for leisure, school or work, our Feldherr RUCKSACK cuts a fine figure at all times - the perfect combination of comfort and protection. It can also be locked and unlocked with an optional padlock. The large main compartment with a footprint of approx. 300 mm x 200 mm is ideal for transporting our half-size foam inserts. It can be filled with foam up to a total height of 420 mm. To make loading and unloading easier, the zip opens on three sides and the rucksack can be opened almost completely. The base and back section are reinforced with PVC inserts for additional protection. A mesh pocket with zip on the inside can be used to store game sheets and game manuals, for example. A front compartment with organiser offers even more space and organisation. A mesh pocket for drinks on one side and a pocket for your mobile phone on the other round off the whole thing. You can also combine the RUCKSACK with our MINI, MINI MINUS and MINI PLUS bags. These fit exactly into the large main compartment and can be used as a separate insert, for example for craft and colouring accessories, cube sets or small games.
