### Product Description

This set will be the new home for Phoenix, Allister, Erza, Lucy, Kings Man, Watcher, Gold Smoke King, White Lion, Butcher and many more! Suitable for the original Kingdom Death Monster (KDM) basic game box: economy set for Kingdom Death Monster 1.5 + 1.6 miniatures. All Wave 1 miniatures are well protected in this set. Three inserts are universally manufactured for Kingdom Death, so that some of the miniatures from future expansions (Wave 2 / Wave 3 and Wave 4) will also fit in. Around 45 compartments can be used for the future Waves! You can store a total of 92 miniatures and the Phoenix in this set in the original board game box. The set lies on the plastic insert for the cards (far too nice not to use!). All the foams together measure 610 mm x 310 mm x 170 mm in height. The foam set protrudes approx. 12 cm if the card insert is also used and the game boards and rules are included in the box.
