Product Description

For the safe storage of miniatures, (sleeved) cards and game board components - Suitable for the original game box. This foam insert has 20 compartments for the safe and tidy storage of game materials for the Mage Knight: Ultimate Edition board game. The fine-pored foam offers the best possible protection against damage. 12 small compartments are available for the miniatures. You can store the cards of the game - sleeved or unsleeved - in the 7 large, rectangular compartments. The large, circular compartment in the centre provides space for the game board pieces, the Valkore token and the faction leader tokens. The tray has the following dimensions: 345 mm x 345 mm x 80 mm total height (70 mm usable height + 10 mm foam base). It therefore fits exactly into the original board game box.- fine-pored foam - Made in Germany- chlorine-free and acid-free
