Product Description

Bring order to your battle kit. Matching foam set for transporting and storing 22 miniatures on 40 mm bases as well as game material. This Feldherr foam set fits perfectly in your battle case. Replace the old foam with this contemporary foam insert, which protects your miniatures perfectly and ensures that your army arrives at the gaming table in one piece. The foam set offers you space for up to 22 infantry miniatures on 40 mm bases. It doesn't matter which GamesWorkshop game system they come from. The set works with figures from your Warhammer 40,000 or Age of Sigmar armies, as well as with figures from more exotic titles such as Blood Bowl, Horus Heresy or Adeptus Titanicus. We have also thought about game material such as cards, tokens and dice when compiling the set. The set consists of:- 1 GWB-Size Schaumstoffeinlage mit 14 Fächern für ausladende Infanterie-Einheiten auf 40 mm Base (CRMEMH050BO)- 1 GWA-Size Schaumstoffeinlage mit 8 Fächern für Infanterie-Einheiten auf 40 mm Base (CQMEIE050BO)- 1 GWA-Size Schaumstoffeinlage mit 7 Fächern für Spielmaterial wie Karten, cards, tokens and dice (CQMEID050BO)- 1 foam coverWhether hero miniatures or standard infantry, your miniatures on a 40 mm base will have a perfect fit on the two inserts with 14 and 8 compartments respectively. 8 compartments. This keeps your models safely in place during transport. The soft foam not only protects the sensitive parts of your figures. The colours of painted miniatures are just as safe from abrasion and scratches. Once your miniatures have been cared for and packed, we take care of your game material. The insert with seven compartments helps you to organise cards and your game material such as tokens and dice. The card compartments have finger-thick cut-outs to make it easier for you to remove the stacks of cards. Of course, the cards also fit into the compartments with protective sleeves. The 14 compartments of the CRMEMH050BO have the following dimensions:- 4 compartments: 64 mm long x 50 mm wide x 40 mm deep- 4 compartments: 61 mm long x 44 mm wide x 40 mm deep- 2 compartments: 50 mm long x 43 mm wide x 40 mm deep- 2 compartments: 72 mm long x 36 mm wide x 40 mm deep- 2 compartments: 48 mm long x 36 mm wide x 40 mm deepEach of the 8 compartments of the CQMEIE050BO is 57 mm long x 43 mm wide x 40 mm deep. The Feldherr foam inserts in the GWA-Size and GWB-Size formats are compatible with various GW transport cases with internal dimensions of 272 mm x 211 mm. These include, for example, the Citadel Crusade Case, the Citadel Battle Case, the Citadel Battle Case and the Warhammer 40,000 Carry Case. Two Feldherr inserts in GWA-Size format (211 mm long x 136 mm wide) placed next to each other correspond to the base area of one insert in GWB-Size format (272 mm long x 211 mm wide). The foam inserts have the following dimensions:- CRMEMH050BO: 272 mm x 211 mm x 50 mm total height (40 mm usable height + 10 mm foam base)- CQMEIE050BO / CQMEID050BO: 211 mm x 136 mm x 50 mm total height (40 mm usable height + 10 mm foam base)- high-quality, fine-pored foam- chlorine-free and acid-free- Made in Germany
