Product Description

This Feldherr foam set fits perfectly in your crusade case. Replace the old foam with this contemporary foam insert, which protects your miniatures perfectly and ensures that your army arrives at the gaming table in one piece. The foam set offers you space for up to 144 miniatures on 32 mm bases. It doesn't matter which GamesWorkshop game system they come from. The set works with infantry from Warhammer 40,000 or Age of Sigmar, as well as with figures from more exotic titles such as Blood Bowl, or your teams from Kill Team. Whether hero miniatures or standard infantry, your miniatures on 32 mm bases each have 18 precisely fitting compartments on the 8 large inserts. This keeps your models safely in place during transport. The soft foam not only protects the sensitive parts of your figures. The colours of painted miniatures are just as safe from abrasion and scratches.
