## DMMEQE090BO - Foam inlay for Star Wars Armada: Super Star Destroy

from **30,33 EUR**

Item no.: 376362  
shipping weight: 0.30 kg  
Manufacturer: Feldherr

### Product Description

At 19 kilometres in length, the Super-class Star Destroyer is 100 times larger than an Empire-class Star Destroyer. Equipped with 5000 turbolasers, a devastating number of other weapon systems and manned by over 1000 ships and several 100,000 crew, the term Super-Class is no exaggeration for the battleship of the Galactic Empire. With this impressive miniature, FFG brings the full might of the Star Destroyer to your gaming table. We have designed this Feldherr foam insert to ensure that it arrives there undamaged and in full splendour. The insert provides optimum protection for this valuable model with a compartment tailored precisely to the Super Star Destroyer. Surrounded by soft foam, the sensitive edges and other fine parts of the miniature are protected from damage. The colours are also optimally protected against scratches and abrasion. There is still space around the star dreadnought of the Executor class for the corresponding game material. There is a compartment in which you can store the two large plastic bases and one next to it for the upgrade cards. The two ship markers go in the narrow, elongated recess. The command and push wheels fit into the two round compartments with finger-wide recesses.

Details- chlorine-free and acid-free- Made in Germany  
Technical details- Dimensions: 565 mm x 365 mm x 90 mm  
Material- high-quality, fine-pored foam
