Product Description

To bring epic battles between brave heroes and evil overlords to the table, the game comes with an abundance of game board pieces, monsters, dice, doors, markers and cards. Our insert sorts and organises all the components for an orderly trip to the next dungeon. DESC consists of 6 trays, 5 of which can be removed individually and placed anywhere on the gaming table. Tray 1: This base frame forms the area for the game board components, large figures and large cards. Tray 2: Lots of compartments for lots of monsters - this is where all the small figures go. Tray 3: Everything for the heroes - this is where the hero figures and arcs, the dice and some markers are located. Tray 4: 6 compartments for markers. Tray 5: All the small cards are sorted here. Tray 6: Doors and plastic feet. When all the trays are in the box, there is enough space to place the game rules and the quest book on top. The box lid closes flush. The box can easily be stored on edge. This item is supplied as a kit that needs to be assembled. We recommend the use of wood glue for this.
