Product Description

A Super Star Destroyer miniature to safely store and transport up to 8 Imperial ships and game material. The Super-class Star Destroyer was the largest class of starship the Galactic Empire had to offer. At 19 kilometres in length, the ship is 100 times larger than an Empire-class Star Destroyer. Equipped with 5000 turbolasers, a devastating number of other weapon systems and manned by over 1000 ships and several 100,000 crew, the term super-class is no exaggeration. With this impressive miniature, FFG brings the full Imperial might of the Star Destroyer to your gaming table. We have designed this Feldherr foam insert to ensure that it arrives there undamaged and in full splendour. With a compartment tailored precisely to the Super Star Destroyer, it offers optimum protection for this unique model. Surrounded by soft foam, the sensitive edges and other fine parts of the miniature are protected from damage. The colours are also optimally protected against scratches and abrasion. In addition to the Executor-class Star Dreadnought, there is space for 8 more ships from your Imperial fleet. The compartments are customised for:- 2x Empire-class Star Destroyers- Imperial Light Carrier- Victory-class Star Destroyer- Gladiator-class Star Destroyer- Imperial Light Cruiser- Imperial Assault Corvette. The two round compartments with finger-wide cut-outs can also be used to store command and thrust wheels. The foam insert has the following dimensions: 565 mm x 365 mm x 70 mm total height (60 mm usable height + 10 mm base). It fits into the Auer Packaging Euro containers 60 x 40.- high-quality, fine-pored foam- chlorine-free and acid-free- Made in Germany
