Product Description

Safe storage and transport - The Feldherr double-size foam insert to protect your 0 scale models. Neatly stored and safely transported - your models are safe with this Feldherr double-size foam insert for 0 scale model railways. Nine compartments - customised for model railways in nominal size 0, in an upright position - offer your wagons and locomotives reliable protection for storage and transport. Several trains and wagons can be stored next to each other in one compartment. We offer matching foam spacers (FS020A001) to prevent bumping into each other or unintentional coupling. The models are thus safely stored all round and permanently protected against damage and wear and tear such as scratches and chipping paint thanks to the high-quality foam. - Each of the 3 compartments is 510 mm long x 80 mm wide x 105 mm deep. - Suitable for models in nominal size / 0 gauge. The double-size foam insert has the following dimensions: 550 mm long x 345 mm wide x 115 mm total height (105 mm usable height + 10 mm foam base). - High-quality, fine-pored foam - Chlorine-free and acid-free - Made in Germany
