Product Description

Foam for your Rising Sun: Daimyo Box! This keeps your game material safe! All the game material from the Daimyo Box has space in the foam set. To transport the 65 metal coins from the Kickstarter Exclusive safely, we have included an extra compartment in this set. Each monster has an individual shape in the foam. The compartments have been specially adapted for the Turtle Strongholds. As in the foam set for the basic box, the respective clan compartments have been marked with the symbol. So you always have an overview.
