Product Description

For the safe storage of up to 48 standard miniatures for Star Wars: Legion. This full-size tray provides a safe place for up to 48 Star Wars: Legion miniatures. The compartments are ideal for storing and safely transporting standard troopers and character figures (25 mm base) up to a height of 45 mm in an upright position. The separate storage of the figures ensures that the flamethrower or lightsaber remain ready for use. It also prevents the figures from sliding around and bumping into each other during transport. This means that even miniatures that have been coloured in after hours of painting are safe from abrasion and annoying scratches. - Each of the 48 compartments is 34 mm long x 34 mm wide x 45 mm deep. The foam insert has the following dimensions: 345 mm x 275 mm x 55 mm total height (45 mm usable height + 10 mm foam base). - high-quality, fine-pored foam-chlorine-free and acid-free- Made in Germany
