Product Description

A British fighter-bomber that has been in service with the British RAF since 1941. Its main task was to combat German fighter aircraft and to support front-line operations by attacking ground targets. Typhoon was known for its high top speed of over 660 km/h and its powerful armament. Four 20 mm Hispano-Suiza cannons ensured effective destruction of surface targets.Our model made of clamp-on bricks complements the collection of fighters released in 1:48 scale. It is ideal as "protection" for the giant bombers we are releasing. It is also an ideal model for a good start to your adventure with COBI building blocks. The aircraft features rotating wheels and decals.
