Product Description

Motorbike legend Valentino Rossi shifts to the four-wheeled vehicle. The Italian, who has won every title in the grand prix motorbike class, took part in the GT World Challenge Europe for the first time in 2022 with Team WRT. His Audi R8 LMS GT3 in black and green is, of course, recognisable at all times as it bears his legendary number 46. The slot car is a feast for the eyes in your Carrera racing stable. In the faithful replica on a scale of 1:43, the speedster brings exactly the power to the track that you need to beat your friends in the race.
