Product Description

Welcome traveller! Welcome to "Tokaido", the game about the legendary trade route connecting Kyoto and Edo. Embark on an extraordinary journey where you will discover numerous wonders. Take your time to enjoy the magnificent views: the majestic mountains, the peaceful coastlines, the vast rice paddies..... These brushstrokes of nature will inevitably etch themselves into your memory. On your journey, you will make repeated stops to enjoy the relaxing tranquillity of the hot springs and the variety of culinary delights. Add unusual, modest or sophisticated souvenirs to your luggage at the various locations and be open to changes in your travel plans. With good time planning, you won't lose track of things so that you can continue your journey methodically and with peace of mind. This way, you won't risk missing anything on this unique trade route and can fully enjoy the "Tokaido" experience.
