Product Description

The duel between the 2021 F1 World Championship contenders is also available in small format: The Carrera GO!!! Max Performance set lets you and your friends recreate the exciting Formula 1 duels between Max Verstappen and Lewis Hamilton at any time. Driven by two hand controllers with turbo button, the Mercedes-AMG F1 W13 E Performance "Hamilton, No.44" and the Red Bull Racing RB18 "Verstappen, No.1" race down long straights and round bends at top speed. You need special precision on the hand controller when steering through fly-overs, loops and at junctions.
