from **5,95 EUR**

Item no.: 379946
shipping weight: 0.20 kg
Manufacturer: Feldherr

Product Description

For sorting and storing tokens, markers and other small partsFeldherr token holder made of plastic with 9 compartments for storing and sorting tokens, markers and other small game material for various board games and tabletop systems. The compartments have different sizes. With a recess in the centre for pens or other elongated objects of a similar size. Thanks to its 8-sided shape, the token holder is a real eye-catcher, yet it fits perfectly into our storage boxes, such as Feldherr magnetic boxes HSMB055 or HSMB075. Details- 3D printed in Germany- 9 compartmentsTechnical data- Dimensions: 172 mm long x 137.5 mm wide x 36 mm highMaterial- thermoplasticContents- 1 piece
