## FS01SET - full-size two-piece insert for KDM - Phoenix

from **25,96 EUR**

Item no.: 379909  
shipping weight: 0.40 kg  
Manufacturer: Feldherr

### Product Description

Full-size insert for Feldherr cases and bags. Two-piece insert for Phoenix. As the Phoenix is quite large, we have produced a two-part insert. Among other things, we took into account that the Phoenix can be positioned variably on the base. In order to utilise the space in the lower part sensibly, it also has additional space for some large models. The upper part of the foam insert lies on the lower part and protects the Phoenix from the side and from above.

Technical details- Made in Germany- high-quality, fine-pored foam Technical data- Length: 35 cm- Width: 28 cm- Height: 17 cm Contents- 1 piece
