### Product Description

Carry all 8 foam inserts for the warbands of the second season safely and comfortably in your rucksack. Mighty battle mages trying to free Shadespire from the curse of Nagash in the name of Sigmar. Barbarians in search of new sacrifices for the Chaos Gods. An overtired, grumpy Troggoth in search of a place to sleep. The second season of Warhammer Underworlds once again shines with an entertaining range of warbands. To make sure they all arrive at the gaming table in one piece, we've created the RUCKSACK, filled with all Feldherr foam inserts for your eight warbands. It doesn't get much more comfortable than this - all 8 warbands from Warhammer Underworlds: Nightvault get their own place in this rucksack. From Averon Stormfather and his gold lads to Zarbag's scurrying goblin host, each troop gets a customised Feldherr foam insert. Each compartment is individually tailored to the miniatures. The models are therefore safely embedded in soft foam. Sensitive details are optimally protected from damage. The customised cut ensures that the figures do not slide around during transport. Painted warrior models are spared scratches and chipped paint. An additional compartment is reserved under each figure for the power and mission cards. It has a finger-wide recess to make it easier to get the cards out. Up to 40 cards fit in here, including sleeves, of course. Deck boxes also fit here. Dice and markers can be sorted into the remaining four compartments. Finally, the supplied foam lid ensures that your figures are securely packed all round and survive transport to the Mirrored City undamaged. Lightweight but hard-wearing materials, breathable mesh padding and plenty of cleverly designed storage space make this rucksack the ideal companion on the way to the gaming meeting or the next tournament. The zip opens on three sides and the main compartment can be opened almost completely. The base and back section are reinforced with PVC inserts for additional protection. In addition to the mesh pocket on the inside, the front compartment with organiser offers plenty of space for additional items. The game boards also fit in the large compartment at the front. There is also a mesh pocket on the sides for drinks and a pocket for your mobile phone. With this rucksack, you are well equipped for your next trip to Shadespire.
