Product Description

The Feldherr Hero Dashboard made of plastic simplifies mouse management in the game. Pieces of cheese, mousetraps, status markers, action cubes and lots of cards are taking away your vision? We have a helpful hero dashboard for "Mouse and Mysticism" so that you don't end up as a morsel between the teeth of the house cat. This keeps the game table tidy and you always have your character's cards and markers in view and, most importantly, the cheese is always to hand.

Details- The plastic player board simplifies character management and helps you to keep the game table tidy.- You have full control and decide which cards and tokens you equip your player board with.- 6 slots are available for a total of 12 cards. 1 large compartment is for storing your hero sheet.
