### Product Description

With your subscription, you have taken the plunge into the dark 41st millennium and your armies are growing by the month. Now that the first miniatures have been painted, you're wondering how best to store them. Here's your answer. With this foam-filled Feldherr storage box, you can ensure that both armies, the Space Marines and the Death Guard, are always in good hands and arrive safely at the gaming table at all times. With your subscription, you have taken the plunge into the dark 41st millennium and your armies are growing in size every month. Now that the first miniatures have been painted, you're wondering how best to store them. Here's your answer. With this foam-filled Feldherr storage box, you can ensure that both armies, the Space Marines and the Death Guard, are always in good hands and arrive safely at the gaming table at all times. The Space Marines' vehicles are also parked in customised inserts. You get one for the Repulsor, one for a total of 2 Redemptor Dreadnoughts and the Landspeeder and the Bike Squad also have their own insert. Character models with extensive details, such as the Malignant Plague Caster, Nauseous Rotbone, the Inceptors and the Attack Bikes find their matching compartments on the HSLZ060BO.
