Product Description

Pieces of cheese, mousetraps, status markers, action dice and lots of cards are blocking your view? So that you and your companions don't end up as morsels between the teeth of the house cat, we have put together this inexpensive package consisting of 4 hero dashboards for "Mouse and Mysticism" for you. This keeps your gaming table tidy and you can always keep an eye on the cards and markers of your rodent heroes. And very important: everyone gets their own pieces of cheese. As with all 3D-printed models, there may be minor imperfections. The product images are only examples of what the finished product may look like. Colours may vary. All products are supplied unpainted.

Details- Quantity: 4- Colour: brown- Compatible: "Mouse and Mysticism" Technical data- Dimensions: 148 mm x 180 mm x 7 mm- Material: thermoplastic- 3D printed in Germany Information- The plastic player boards simplify character management and help to keep order on the game table.- You have full control over which cards and tokens you equip your player board with. You have full control and decide which cards and tokens you equip your player board with.- 6 slots are available for a total of 12 cards. 1 large compartment is used to store the hero sheet. Up to 3 slots are available for negative effects. 3 compartments can be filled with tokens, whereby the round compartment is intended for cheese markers.- Depending on the type of playing card, these are stored horizontally or vertically.- The cards and markers have a firm hold and do not slip during play.- Of course, the cards also fit into the slots with protective sleeves.- "Ready to Use" - no assembly required.
