

Item no.: 376559

ESD ED 64/32 HG - DSEB305ESD Euro container / Euro box with hinged lid

from **45,17 EUR**

Item no.: 376559
shipping weight: 1.00 kg
Manufacturer: Feldherr

Product Description

Suitable for all Feldherr double-size, full-size and half-size foams up to 305 mm high. The ESD Euro container with hinged lid from AUER Packaging offers additional protection for the contents. The lid and hinges are made from the same antistatic material as the container. Electrostatic charges are prevented and existing charges are reliably dissipated.

Inlays- double-size, full-size and half-size foam inlays fit into the Euro containers- two half-size inlays (275 mm x 172 mm) correspond to the base area of one full-size inlay (345 mm x 275 mm)- two full-size inlays (345 mm x 275 mm) correspond to the base area of one double-size inlay (550 mm x 345 mm)- size can be recognised by the first two letters of the article number (HS = half-size, FS = full-size, DS = double-size)Details- can also be stacked with lid- adapted to Euro dimensions- closed handle holes- sturdy hinges- particularly robust- external dimensions: 600 mm x 400 mm x 335 mm- Internal dimensions: 570 mm x 370 mm x 305 mm- Weight: 3.53 kg- Capacity: 66 litres- Contents: 1 piece- Made in Germany
