### Product Description

Transport your Galactic Republic fleet in matching bag - Includes token box for sorting markers and accessories. Bring peace to the renegade systems and restore order to the galaxy. May the Galactic Republic endure for millennia to come. But the galaxy is a dark place. Many dangers await your models on the way to the next game. Scratched surfaces and chipped paint are just some of the cruelties that the dark side has in store for your models. The MEDIUM PLUS bag including matching Feldherr foam inserts ensures that nothing happens during transport. This allows you to store your fleet well protected and transport it safely. The set offers space for:- 1 Venator-class Star Destroyer- 1 Acclamator-class Attack Transporter- 2 Consular-class Military Cruisers- 2 Pelta-class Frigates- 16 Republic Starfighter Squadrons (Delta-7 Aethersprite Squadrons, BTL-B-Y Wing Squadrons, ARC-170 Squadrons, V-19 Torrent Squadrons)- Cards, plastic bases, support poles/fins, ship markers, scale, squadron discs and command wheels. The set includes:- 1 Feldherr MEDIUM PLUS bag- 1 half-size foam insert for 1 Venator-class Star Destroyer incl. accessories (HSMFDD055BO)- 1 half-size foam insert for 2 Pelta-class frigates incl. accessories + 4 squadrons (HSMFDI045BO)- 1 half-size foam insert for 2 Consular-class military cruisers + 1 Acclamator-class assault transporter incl. accessories (HSMFAT050BO) accessories (HSMFAT050BO)- 1 half-size foam inlay for 12 squadrons (HSDT050BO)- 1 half-size foam inlay for playing cards, dice and other accessories (HSMEQO050BO)- 1 assortment box for tokens and small game material (FHBOX01)- 1 foam mat, 10 mm, al height levelling- 1 foam lid. We have packed four Feldherr foam inserts in the bag for the safe transport of your fleet. Whether it's a giant star destroyer or a small fighter squadron, each miniature has its own compartment. Large ships such as the Acclamator-class attack transporter even get compartments cut to fit the miniatures exactly. Thanks to the precise cut, the miniatures do not slip and do not collide with each other during transport. Surrounded by soft foam, the delicate parts of the miniature remain protected from damage. The colours of your models are also protected from scratches and abrasion. There are suitable compartments in the inserts for ship bases, retaining fins, command and thrust wheels, as well as ship cards and markers. The package also includes a fifth foam insert and an assortment box to ensure that the other accessories are also properly stored. There is enough space here for sorting additional cards, dice, markers and accessories. The assortment box has 5 elongated compartments. These can be further subdivided using the 12 dividers supplied. This allows you to divide up to 17 compartments for storing your game materials.- When the dividers are not inserted, the longest compartment in the centre is 260 mm long x 46 mm wide x 35 mm deep. Finally, the foam lid supplied ensures that your fleet is securely packed all round and survives transport to the gaming table undamaged. The Feldherr MEDIUM PLUS bag is made of particularly hard-wearing material. Padded side panels and a reinforced base also ensure that the miniatures are well protected from external influences, even when being transported by car or train. It can also be locked and unlocked with an optional padlock. In addition to the large main compartment, the bag has a small zip pocket at the front. Here you can store booklets and other small items, for example. There is a rubberised, handy carrying handle on the top. If you prefer to have your hands free, you can also carry the bag comfortably as a shoulder bag thanks to the sturdy, detachable shoulder strap. Dimensions of the MEDIUM PLUS bag:- Inside: approx. 345 mm x 275 mm x 150 mm - Outside: approx. 390 mm x 330 mm x 160 mm. The assortment box has the following dimensions: 272 mm x 189 mm x 46 mm.
