Product Description

For safe and tidy storage of 54 flat, 18 medium-high and 36 high model cars in 1:64 scale. With the FSLB310 storage box and the matching foam inserts for 108 speedsters, Feldherr offers your 1:64 scale vehicles a safe parking space. The set contains:- 1 Feldherr storage box FSLB310- 6 foam inserts with 9 compartments each for flat models (HSMEOP040BO)- 4 foam inserts with 9 compartments each for high models (HSMEOP060BO)- 2 foam inserts with 9 compartments each for medium-high models (HSMEOP050BO)- 1 matching studded foam. The foam inserts each have nine compartments, in which you can store your models safely and tidily. The fine-pored foam reliably protects your cars from damage - the paintwork is spared from scratches and sensitive parts such as mirrors remain undamaged. Six inserts are suitable for flat vehicles such as coupés or racing cars.- Each of the 9 compartments of the six inserts for flat models is 80 mm long x 45 mm wide x 30 mm deep. Each of the 4 compartments has a rounded corner. Four additional inserts are ideal for storing tall models such as vans or minibuses.- Each of the 9 compartments of the four inserts for tall models is 80 mm long x 45 mm wide x 50 mm deep. Each of the 4 compartments has a rounded corner. Finally, the set contains two inlays in which you can safely store medium-height models.- Each of the 9 compartments of the two inlays for medium-height models is 80 mm long x 45 mm wide x 40 mm deep. Each of the 4 compartments has a rounded corner. Of course, the inserts fit exactly into the sturdy storage box. This is made of coated, double-walled cardboard and is therefore both very light and very sturdy. The attachable lid reliably protects your models from dust and other external influences. With the two plastic-reinforced carrying handles on the sides, you can easily transport the box to the next game night. The FSLB310 storage box has the following dimensions:- Internal dimensions: 350 mm x 285 mm x 310 mm- External dimensions: 380 mm x 310 mm x 320 mm. The matching dimpled foam completes the set. Place this on top of the upper inlays so that no model can fall out during transport.- fine-pored foam - Made in Germany- chlorine-free and acid-free
