Product Description

Creatures beyond imagination - even bigger than nightmares. Their presence alone is enough to bring the world to an end. Only those who are driven mad have a chance of stopping them. Cthulhu: Death May Die - Fear of the Unknown is an action-packed co-operative board game for 1 to 5 players. The price of saving reality from the Great Old Ones of space and time is sanity, or perhaps more. But the price will be worth it, you'll pay it, won't you...! This is a standalone base game with new material and mechanics that is fully compatible with all boxes and expansions of the "Death May Die" world.
