Product Description

For safe storage and convenient transport of your Space Marines army. We've got something for you so you can take your Space Marines safely to their next combat mission: The Feldherr backpack - filled to the brim with the right foam inserts for your powerful collection! The set contains: - 1 Feldherr backpack - 1 foam insert with 3 compartments for Land Raider and two large models (HSDV110BO) - 1 foam insert with 7 compartments for Dreadnought and 6 small to medium-sized models (HSMEME110BO) - 1 foam insert with 7 compartments for medium-sized models (HSLZ060BO) - 1 foam inlay with 16 compartments for small models (HS050BF05BO) - 1 foam inlay with 12 compartments for small models (HS050I012BO) - 1 foam inlay with 10 compartments for small and elongated models (HSMEFF045BO) - 1 matching foam cover The inlay for the Land Raider has a compartment tailored precisely to the fighting machine. This provides the model with the best possible protection against damage - fragile parts remain undamaged and applied paint does not scratch. The two other compartments of the insert are suitable for larger models such as cybots. The Dreadnought also gets the protection it deserves - the miniature has the right large compartment on the insert designed for it. Four further compartments on the insert are suitable for larger miniatures such as centurions or inceptors. Finally, the insert has two small compartments for simple Space Marines on 32 mm bases. The insert with 7 compartments is suitable for medium-sized models such as Hellblasters or Intercessors. The 7 compartments have the following dimensions: - 2 compartments: 54 mm long x 85 mm wide x 50 mm deep - 2 compartments 50 mm long x 70 mm wide x 50 mm deep - 1 compartment: 60 mm long x 75 mm wide x 50 mm deep - 1 compartment: 67 mm long x 75 mm wide x 50 mm deep - 1 compartment: 50 mm long x 75 mm wide x 50 mm deep In the insert with 16 compartments, you can store smaller models such as simple Space Marines on 32 mm bases. e.g. simple Space Marines on 32 mm bases. - Each of the 16 compartments is 54 mm long x 35 mm wide x 40 mm deep. The inlay with 12 compartments is also suitable for small models. - Each of the 12 compartments is 54 mm long x 41 mm wide x 40 mm deep. You can usefully organise other smaller models and two elongated models in the inlay with 10 compartments. The 10 compartments of the insert have the following dimensions: - 8 compartments: 54 mm long x 41 mm wide x 35 mm deep - 2 compartments: 54 mm long x 93 mm wide x 35 mm deep Naturally, the inserts fit perfectly into our robust rucksack. This is made from lightweight but hard-wearing materials and has breathable mesh padding. To make loading and unloading easier, the zip opens on three sides and the backpack can be opened almost completely. The base and back section are reinforced with PVC inserts for additional protection. Backpack dimensions: - External dimensions: approx. 350 mm x 230 mm x 530 mm height - Internal dimensions: approx. 300 mm x 200 mm x 420 mm height The set is completed by the matching foam lid. Place this on the top foam insert so that nothing falls out during transport. - Fine-pored foam - Made in Germany - Chlorine-free and acid-free
