Product Description

The sturdy storage box with matching foam for the safe storage and transport of up to 32 miniatures + accessories. To survive in the rich world of Terrinoth, your miniatures should enter the battlefield in top condition. With the Feldherr storage box FSLB310 and the matching foam, you can keep your models well organised and transport them safely to the gaming table. The set also offers space for cards, dice, markers, turn counters and command holders. This means that your game materials are always well organised and you are always ready to play. Of course, the fine-pored foam offers reliable protection against damage - delicate miniature details remain intact and the colours of painted models are spared scratches and abrasion. The set contains:- 1 Feldherr storage box FSLB310- 1 full-size foam insert with 12 compartments for miniatures (FSMEPQ100BO)- 1 full-size foam insert with 8 compartments for miniatures (FSMEFC075BO)- 2 half-size foam inserts with 6 compartments each for miniatures (HSMECO075BO)- 2 half-size foam inserts with 10 compartments each for cards, dice, markers, turn counters and command holders (HSFW045BO)- 1 studded foam insert as a cover FSMEPQ100BO: The 12 equally sized compartments of this full-size foam insert keep units, including tableau, safely and neatly stowed away. The insert is ideal for units with towering elements, such as command units of the Latari infantry, Aymhelin offshoots and Aliana from Sommerlied. - Each of the 12 compartments is 78 mm long x 73 mm wide x 90 mm deep. FSMEFC075BO: The full-size foam insert with 8 equally sized compartments is ideal for character units such as rune golems, Maegan Cyndewin cavalry, Aymhelin offshoots and the thorn threshers. - Each of the 8 compartments is 122 mm long x 74 mm wide x 65 mm deep. 2x HSMECO075BO: In the two half-size inserts with 6 compartments each, you can store additional units including tableau. Darkwood archers, Maegan Cyndewin cavalry and the berserkers (ravenous) will find a safe place here. - Each of the 6 compartments of the two inlays is 73 mm long x 80 mm wide x 65 mm deep. 2x HSFV045BO: You can organise your game accessories in these two half-size inlays with 10 compartments each. Markers, cards, turn counters, command holders, dice and playing cards can now finally be kept neatly separated from each other. The next game set-up will be child's play. The 10 compartments of each of the two inserts have the following dimensions:- 3 round compartments: 52 mm diameter x 35 mm deep- 4 compartments: 42 mm long x 33 mm wide x 35 mm deep- 1 compartment: 59 mm long x 42 mm wide x 35 mm deep- 1 card compartment: 91 mm long x 52 mm wide x 35 mm deep- 1 card compartment: 98 mm long x 85 mm wide x 35 mm deep The FSLB310 storage box is made of coated, double-wall cardboard and is therefore both very light and also very sturdy. The attachable lid reliably protects your game materials from dust and other external influences. With the two plastic-reinforced carrying handles on the sides, you can easily transport the box to the next games evening. The storage box has the following dimensions:- Internal dimensions: 350 mm x 285 mm x 310 mm- External dimensions: 380 mm x 310 mm x 320 mm The matching studded foam completes the set. You place this on the top insert - so everything is securely packed in foam.- fine-pored foam - Made in Germany- chlorine-free and acid-free
