Product Description

Welcome to the coolest kids in school! With the Iceman & Shadowcat character pack for the miniatures game Marvel: Crisis Protocol, you can add two exciting new characters to your team. Bobby Drake, better known as Iceman, was one of the first mutants to join the X-Men. Despite his icy superpowers, he preferred to be the class clown at school. With his cheerful demeanour, it's a breeze for him to gather teammates, friends and classmates to join him in the fray. Kitty Pryde, better known as Shadowcat, is the rising star at Xavier's Institute for Gifted Youngsters. She gets on really well with all the members of the team, although the alien dragon Lockheed has taken a particular liking to her. A Marvel: Crisis Protocol base game is required to play.
